**NYC DEPARTMENT OF EDUCATION**

Dear Parents and Neighbors of PS 273: The New York City School Construction Authority (SCA) wishes to advise you that a construction project will begin at the school. The project includes Parapets work, Exterior Masonry, and Roof Replacement. The work will begin shortly and the expected completion date is October, 2011. The work requires asbestos abatement. This material does not easily create airborne fibers or pose potential fiber exposure to surrounding occupants. The workers who are in actual contact with the material will be wearing protective suits and respirators and there will be containment of these materials. For information call 718-472-8199 or Email: [yknight@nyesca.org](mailto:yknight@nyesca.org)
