

May 2010 Parks Committee Pg2

smaller children from using the swings. Unfortunately, due to space constraints, the Parks Department stated that installing swings for older children may be an issue.

Ms. Levitt from Cypress Hills Local Development stated that they will be speaking with I.S. 302 students regarding their preferences for the park. Ms. Walker-Diallo and Ms. Davis stated that they should ask the youth about the swings issue.

The design of the park will be completed by July 2010.

Construction is expected to begin in the Spring of 2011 and is expected to be completed by the Spring 2012.

The meeting was adjourned at 7:00pm.
